

What is CarRentals.com?

CarRentals.com is one of the largest online car rental consolidators in the world. We are focused on providing customers with the best available car types, rates, and vendors. Our website features both global rental car vendors with thousands of locations as well as **independent vendors** serving regional or local markets.

Our **Independent Vendor Management System** allows easy control over your rates, car types, and availability. If you have multiple locations - we'll set them all up! We also help you manage your taxes, local policy information, contact information, pick-up and drop-off information, and more.

The best reason to take advantage of this opportunity? **We will send you customers!** CarRentals.com is one of the largest car rental booking engines around - period.

Criteria To Join

CarRentals.com is currently only looking for partners who service an airport location. You must have a minimum fleet size of 50 cars.

Why List Your Inventory On CarRentals.com?
